

The "Compagnie du Mont-Blanc" group manages and runs the ski areas and tourist attractions of the Chamonix Valley and as of the winter season 2015-16, the adjacent Megève ski resort. The territorial strategy is to promote the "Mont Blanc Region" with a single pass, MONT BLANC Unlimited in the winter and the MONT BLANC MultiPass in the summer ; opening the way to this mythical playground and unique experience at the foot of Mont Blanc.
